The PAWS package has been carefully developed to assist Mums and Dads with children from 1 to 4 years, and offers additional toddler friendly extras to complement your holiday experience.

The PAWS

Welcome From the moment you arrive at the Park, our friendly and efficient PAWS Team will be happy to help you with the whereabouts of any PAWS facilities such as baby changing, food and warming areas.

Especially for PAWS

Here are some of the facilities available to ensure that you, the parent, have a more carefree holiday.

- Baby food-warming service in selected retail food outlets.
- PAWS high chairs are available for your use whilst in selected retail food outlets.
- Baby changing areas
- Swimming Pools. Water is always a fascination for youngsters and our Professional Lifeguards keep a watchful eye as you have fun together with your children.

PAWS Holiday Extras

PAWS is an activity programme where parents and children can enjoy a variety of specially designed play sessions together. It's ideally suited for parents with children from 12 months up to 4 years of age.

Each day we provide the space and the playthings, you bring the children and the rest is only limited to a child's imagination. On hand to help parents will be a cheerful member of staff to set everything up for you and clear away after each session. It's Child's Play!

As part of the PAWS programme, parents and children can enjoy the following tailor made activities:

- Making Dreams allows children to make shapes, paint, and crayon stick art, together then take home each masterpiece. It's our compliments.
- Toy Time PAWS is a free flow period when children can bring their own toys or use ours provided and do what they do best - Play!

PAWS is not a child minding facility and parents are required to remain and supervise their children throughout all PAWS sessions or when using any PAWS facility. Please note only one parent is required to accommodate all children in order to sign to participate in PAWS. Numbers are limited, therefore you are advised that each session will operate on a first come first served basis.

Dress-up PAWS

allows your child's imagination to run wild as they dress up in our range of costumes or bring their own favourite to play-act in their unique world. This one is a must for the photo album, so don't forget the camera.

At Musical PAWS we supply a variety of instruments for your budding stars to show their musical talent. This might be noisy but it's great fun too!

Children love music and movement, so join in with Disco PAWS and make this a special rhythm and dance session.

PAWS will operate on selected Parks from Easter to 28th October. Please refer to Park pages to see where PAWS will be featured.

Enjoy a relaxing break in the Perthshire Highlands and soak up the atmosphere of arguably our most scenic Park.

Situated on the banks of the River Tummel, Tummel Valley is surrounded by majestic mountains. Ramble along the loch side or take up the challenge of Schenallton. The view from the top is well worth the effort!

Kemore in the adjacent glen offers watersports galore, or travel north for skiing in the Cairngorms.

If you prefer a less active time, there's a wealth of places to visit, or simply take a drive, enjoy the views and famous Scottish hospitality.

Back on the Park, enjoy fabulous facilities and a drink in the lounge bar.

A collage of six photographs showing various activities at Craig Tara, including children playing on a slide, a boy in a blue shirt, a person in a hot tub, a woman in a yellow dress, a person in a green tent, and a group of people in a room.

The image shows a double-page spread from a children's travel guide for Scotland. The left page has a red decorative border at the top. At the very top, the word "Scotland" is written in blue script, and below it, "All-Action Park" is written in white. Underneath these, there are four main sections: "Squirming Cus", "Kids and Teens", "Outdoor Activities", and "Indoor Games". Each section contains a bulleted list of activities or attractions. The right page features a large, colorful cartoon tiger standing on its hind legs, holding a blue ball in its front paws. To the right of the tiger is a black and white photograph of three children playing soccer on a grassy field. Below the tiger and the photo is a text box with the heading "There's something for everyone at Craig Tara". The text describes the park's facilities, including its indoor and outdoor areas, and mentions the "Space Zone" which includes a planetarium and a science centre. The overall layout is designed to be visually appealing and informative for young readers.

The indoor dry ski slope is a hit with everyone. Why not try your hand at snow boarding or have a go on our fun slope. It's the ideal place to learn to ski or practice your technique on one of our seasonal snow breaks.

Anglers enjoy our 3 fishing lakes, 2 of which are open all season at no extra charge. To fish the specimen carp like swans must be booked in advance by phoning the Park.

At Warmwell, the fun continues into the evening. Enjoy a meal in our new 1 to Diner then move on to the live happy lounge for a great line up of family entertainment. Here you'll find live shows, music and sparkling cabinet to entertain you.

All you need to know

Arrival and departure times

Your accommodation is available from 4 pm on the day of your arrival since it has been cleaned and prepared for you. We are happy to welcome you at the Park earlier and when your accommodation is ready you may move in.

In order for us to prepare for our next guests we do ask that you vacate your accommodation by 10 am on your day of departure.

Late arrivals

If you expect to arrive after 7 pm on the first day of your stay, please let the Park know so that we can make arrangements for you to collect your keys.

Half board guests should note that restaurants are not open after 7 pm, although snacks are available on Park. Unless the Park is previously notified, you must claim your accommodation by 8 am on the day after your holiday was due to start, otherwise we will treat your booking as cancelled (see cancellation conditions on page 19).

Great family holidays

Haven's Parks and their facilities are intended for family and adult holidays. We are therefore sorry that we cannot accept any single parties under the age of 18. All-male or all-female parties of young people are accepted only at the Company's discretion.

What do you need to bring?

Our well equipped self-catering accommodation contains cooking items, crockery and cutlery as well as bed-linen for your party size. You will need to bring washing up materials, plus towels, toiletries and personal effects.

Special requirements

If you have any other special requests regarding your holiday accommodation please advise us when making your booking and confirm your request in writing when forwarding your Booking Form. Please include a phone number in case of any query. We will endeavour to meet your requests, however this cannot be guaranteed.

Guests with disabilities

We are happy to provide as much advice and information as possible to people with disabilities who wish to holiday at our Parks.

It is important that you talk to us before making the booking as, for example, not all Parks or accommodation are suitable for guests with disabilities and wheelchair access may be limited. It is therefore essential that you give us as much detail as possible so that we can advise you on suitable locations and ensure that you get the most enjoyment from your holiday.

Many of our self-catering Parks have Caravans specially adapted for wheelchair users. Please note that due to their weight and size, not all accommodation is suitable for electric wheelchairs.

We have modified some chalets at selected Parks, to provide wider doorways, handrails and ramps for easier access.

Some guests may also need able-bodied assistance in some accommodation.

Again please discuss this with us before making your booking. Our staff will be pleased to advise and assist you with your detailed requirements.

All requirements must be confirmed in writing when forwarding your Booking Form. Special requests cannot be made a condition of your booking as they are always subject to availability.

Dogs and other pets

For the convenience of other guests, no pets (with the exception of guide dogs only) are allowed in half board accommodation.

Most dogs are welcome in selected accommodation at certain Parks, at a charge of £40 per dog per week and £20 per dog per short break, up to a maximum of two animals per accommodation unit.

Other pets may be permitted at the discretion of the Park General Manager. Please contact the Park direct to discuss charges prior to making your booking. Parks which do not accept animals are clearly identified on the individual Park pages of this brochure.

Where dogs are allowed, they must always wear a collar and identity tag and be kept on a lead under the control of a responsible adult at all times. Dogs and other pets are not allowed in facility buildings, restaurants or food service areas and swimming pool areas. Dogs are allowed only in Economy and

Bronze standard accommodation excluding 2000 model caravans. These restrictions do not apply to guide dogs. We reserve the right to require the owner of any dog or other pet to remove it from the Park if we consider it a nuisance or to be interfering with the general comfort of guests.

Certain breeds of dog are not allowed on any Haven Park, in order to maintain the safety and well-being of all our guests. Please check at the time of booking.

Please note that where a public footpath or right of way crosses our parks, dogs cannot be excluded from that area.

Cots and highchairs

Self-catering

Cots for chalets are available at a charge of £5 per week. In most chalets cots will be positioned in the living room. Please remember to bring your own cot linen. We do not recommend the use of cots in caravans as they do not fit in the bedrooms.

However, a bed retaining rail is available free of charge for one single bed in all our caravans. A limited number of highchairs can be hired at most self-catering Parks. Please contact the Park direct for details.

Half board

Cots are provided free of charge and will usually be located in the main sleeping area.

Highchairs are also available free of charge in half board restaurants.

Children

We provide a range of indoor and outdoor facilities for children:

Paws (12 months-4 years)

At selected Parks, the Paws programme operates Easter-20th October. Paws is an activity programme suitable for parents and children aged 12 months up to the age of 4. It is not a child minding facility and parents are required to remain and supervise their children at all times throughout the activity sessions. Places are limited and parents are asked to reserve a place on arrival at the Park.

Rompers playground (under 5s)

At selected Parks, Rompers playrooms and play areas are a cheerful place where your children have the opportunity to play under your supervision, both during the morning and in the afternoon.

The Tiger Club (5-10 years)

At our All-Action and Lively Parks, between May 27th and September 8th, we operate Animal Crackers (5-7 years) and Jungle Rangers (8-10 years) each providing a range of activities suited to their age groups. At other times of the year and at other Parks The Tiger Club combines the best of both activities for 5-10 year olds. Please see individual Park pages for details.

T-CO. (10-14+)

With their own dedicated leader, T-CO. operates on our All-Action Parks Easter-September 8th and at Lively Parks May 27th-September 8th.

Your responsibility

Whilst we are happy to provide these activities, they are not a child care facility. Please note that at all times the safety of children is the responsibility of their parents or guardians.

It is of course important that you always know where your children are and the times that the clubs start and finish, so that you can meet up with them. Young children aged eight and under must always be collected by their parents.

Please help us by making sure that your children understand that they should always obey the instructions of the HavenMates, T-CO. leaders, Sports Instructors and Lifeguards, so that the possibility of accidents can be reduced.

Please take care

Please treat the property, facilities and accommodation at your Haven Park with respect and care so that other guests may continue to enjoy them. In the event that you notice damage to any facility or in your accommodation please report it to reception immediately so that we can take appropriate action.

Accommodation will be inspected at the end of the holiday and you may be charged for any loss or damage found. We reserve the right to enter accommodation under any special circumstances or emergencies.

Licensing Laws

In accordance with UK licensing laws, we can only sell alcohol to persons aged 18 or over. We may require you to show proof of age using an approved form of identification. We accept the following forms of ID at Haven Parks: full passport, a new style driver's licence incorporating a photograph, a Pertman Group proof of age card.

Use of your holiday home

Only those people listed on the Booking Form/Confirmation can occupy your accommodation and use the facilities of the Park. If this legal requirement is not met, your booking will be terminated and you will be asked to leave, with no refund made.

If you have any friends who wish to visit you while you are staying with us, please see the Duty Manager who will arrange a day pass for them.

Unreasonable behaviour

For the convenience of our guests, we reserve the right to terminate a holiday without compensation, where the unreasonable behaviour of the persons named on the Booking Form or their guests might impair the enjoyment, comfort or health of other guests.

Infectious diseases

Infectious or contagious diseases could easily be passed to other guests while on holiday. You must inform the duty manager should you contract any such illness while on holiday. In order to protect our guests and staff, anyone found to have such a condition may be confined or requested to leave the Park.

Calculating your holiday cost

The price grid on the individual Park pages shows the tariff for the holiday date and accommodation chosen. For a two week holiday just add together the tariff for the two relevant weeks. Supplements will be charged if you have requested a not, are bringing a pet, require travel tickets or insurance, have requested a 2000 model, Bronze Plus, Bronze Plus, extra wide or Berry Village caravan, or a Bronze Plus chalet or lodge. Supplements are also charged on half board holidays if you have requested silver, gold or accommodation with a lounge, or washout service.

It is possible that in some circumstances accommodation, entertainment or a facility may have to be temporarily withdrawn, due to maintenance, renovation, adverse weather conditions, changes in governmental legislation, or any other factor outside our control.

We reserve the right to make such alterations in the above circumstances without prior notice, and are unable to accept liability for the loss of an advertisement, or to pay compensation for any inconvenience caused.

Should changes occur, we will advise of these changes where made prior to booking and will use reasonable endeavours to advise guests already booked of any change made thereafter.

Travel arrangements

Where you take up the additional offer of ferry, coach or rail travel, all party members are subject to the terms and conditions of the service operator(s). Full details available on request. We cannot be held responsible for any unusual or unforeseen circumstances, including delays or breakdowns, in the part of ferry, coach or rail operators, which are beyond our control. Rail and coach arrangements are offered as an additional service for guests and do not represent an integral part of your holiday. The rail and coach travel options are not available to guests using Silver or Gold pitches.

Brochure accuracy

We take every care to ensure that the details of this brochure are accurate at time of going to press. Photographs are taken at our Parks and are intended for guidance only. Layout plans are for illustrative purposes only. Please note that not all items will be identical at all Parks. The Arts and Activities featured in this brochure are those which have appeared with us recently. They or acts of a similar calibre will be entertaining you in 2000.

If you have a comment

If you are dissatisfied with any aspect of your break, please speak to the Park Reception. In most cases they will be able to help you immediately so that you can enjoy the rest of your stay. However, if you are still not satisfied, you must then make an appointment to see the Duty Manager and record your complaint with them. If, at the end of your break, you feel that we have not dealt with your complaint satisfactorily, please write to the General Manager at the Park no later than 21 days after the end of your break. We are only able to take action on any complaints which are first brought to the attention of the Reception team whilst you are on your break and secondly received in writing within 21 days, unless there are exceptional circumstances. It is necessary for Haven to impose these limitations so that we have the opportunity to solve the problems experienced.

Any questions?

We try to ensure that this brochure has all the information you need to book the right holiday for you. Should you have any queries on special requirements not covered here, please ring our Holiday Administration Department on 0870 242 3333 (9am-4pm Monday-Friday, 9am-5pm Saturday). Or send us a fax on 0870 242 2244.

Travelling by coach

Let someone else do the driving this year, and take a coach. We've negotiated special fares with the leading coach operator, National Express, who will set down and pick-up at or near many of our Parks. Please note that our routes involve several pick-ups and set-downs (not only Haven) and exact routes and timings can be provided by our Travel Department. You will be advised of your exact pick-up point with your ticket.

Please note, coaches are unable to transport electric wheelchairs, prams or pushchairs. Folding buggies can be carried as hand luggage.

Fares apply to Saturday-Saturday bookings, with Monday and Friday departures offered on selected destinations, operating between 27 May to 16 September (final return journeys being on 23 September). Children under 5 travel free when accompanied by one full fare paying adult as long as they do not occupy a seat (or you can pay the child price and

obtain a seat). High return fares apply to travel on ALL Fridays, Saturdays during July and August, and certain Bank and Public Holidays.

You must book no later than 1 week before the start of your holiday. To book, complete the section on the booking form. We will confirm your coach details to you and once your holiday balance is fully paid tickets will be issued and sent to you. Travel bookings are subject to availability. Haven cannot be held responsible for any coach delays, strikes or cancellations. All travel will be subject to standard conditions of National Express Ltd.

Conditions of booking

Our Holiday Contract

The contract is made when you receive our written holiday confirmation. Our contract is subject to these conditions of booking confirmation. Our contract is contained in the "All You Need to Know and Book" sections of this brochure and such other terms as us, but not only, standing from time to time, may be agreed with you in writing.

Significant changes to your holiday confirmation will be treated as an alteration by each person listed over 18 years of age for insurance purposes. If any child is aged 18 or over at the time of booking, a subscription to an insurance policy will be required. In the event of a change to your holiday confirmation, we will contact you in order to ascertain the details provided. The personal details provided, including name, address and telephone number must be true and correct.

We reserve the right to decline or terminate the booking of any guest(s) if their party make-up or behaviour interferes or may interfere with the general conduct of other guests. In this event no refund will be made.

Changes to your Holiday by you

After you have made payment you may wish to change some elements of the Holidays, e.g. type of accommodation. We will try to meet your request, however, a charge of £10 per alteration is to be applied to your holiday. Substantial changes, such as a change of location or Holiday Date, can be treated as a cancellation (see below).

If you cancel your booking for any reason, you must inform us in writing of the date you wish to cancel and provide us with the reason for cancellation. You must give us at least 14 days notice of cancellation. Please see the booking form or confirmation paperwork, or your Travel Agent.

Where changes are sought to be made within 8 weeks of the start of your holiday it will be treated as a cancellation, and be subject to cancellation charges as outlined below.

Cancellation of your Holiday

If you have to cancel your holiday, you must notify us in writing. The date of cancellation is the day when written notification is received by us.

The letter must, whenever possible be signed by the same person who signed the booking form or Travel Agent. In the event of cancellation, a sliding scale of charges applies as laid out below.

If you cancel your booking within 56 days before your start date, then your deposit and any amounts paid towards your holiday will be forfeited. If you cancel within 54 days you will be liable to pay the following percentages of the total holiday cost (excluding deposit):

Cancelled 56-30 days before holiday starts date 5%
Cancelled 30-14 days before holiday starts date 10%
Cancelled 14 days or less before holiday starts date 20%

If you have to cancel your holiday due to illness or injury, you must inform us in writing. The date of cancellation is the day when written notification is received by us.

If you cancel your holiday or make a significant alteration such as changing your date of arrival or duration, you will then have the choice of either:

- (1) Accepting the alternative arrangements as notified to you;
- (2) Changing another available holiday from us at the advertised price;
- (3) Cancelling your holiday with a refund of all money you have paid.

In addition to the above and provided it does not arise from circumstances amounting to force majeure, we will pay you the following:

- (1) If after full payment but more than 8 weeks before intended departure a maximum of £1.00 per week (including an extra £1 per short break);
- (2) If after full payment but within a week of intended departure a maximum of £4 per week (including an extra £1 per short break).

Force majeure means circumstances beyond our control including (but not limited to) industrial disputes, natural disasters, fire, technical problems, bad weather and acts of Government.

Limitation of Liability

We accept responsibility for losses accompanying your holiday which are within our control, but we cannot accept liability for any injury, loss or damage suffered by you or any member of your party, unless such damage is caused by:

- (a) damage or loss of your personal belongings;
- (b) death or personal injury was caused by the negligence of Haven Holidays, our employees or agents;

For all claims other than death or personal injury, which result from the non-performance or defective performance of the contract by Haven Holidays, we will pay compensation which is reasonable in all the circumstances.

No action can be taken in respect of any complaint brought to the attention of the Park Duty Manager. Please see page 19 for full details of our customer services policy.

Please note that all claims covered in the "All You Need to Know" and "How to Book" sections of this brochure fall into part of these Conditions of Booking. All bookings are subject to these Conditions of booking and its availability.

Important

Under the Association of British Insurers General Terms and Conditions of Policy, we are required to draw your attention to important features of your policy including:

• Policy: Documents you should read the document carefully. It gives full details of what is and is not covered and the conditions of the cover. Cover will vary from policy to policy and insure to insure.

• Health: Your policy contains restrictions regarding pre-existing medical problems concerning the health of the people travelling and of other people upon whose health the trip may depend. You are advised to read your policy carefully.

• Conditions, Exclusions and Warranties: conditions and exclusions will apply to individual sections of your policy while general exclusions, conditions and warranties will apply to the whole of your policy.

• Death: Your policy may contain exclusions for losses arising from the failure of equipment or any computer program to correctly recognise the calendar date, for example the change to the year 2000.

• Dangerous Sports or Pastimes: any activity, other than those arranged by Haven, where there is a high risk of injury, will need to be referred to our Administration Department. Additional premiums may apply.

• Property Claims: these claims are paid based on the value of the goods at the time you lose them and not on a value of old or replacement cost basis.

• Policy Limits: most sections of your policy have limits on the amount of the compensation you can receive. Some sections may include other specific limits, for example, for any single article, pair or set or for valuable items in total. You are advised to check your policy if you intend taking expensive items with you.

• Policy Excesses: under most sections of the policy, claims will be subject to an excess. This means that you will be responsible for meeting the first part of the claim. The amount you have to pay is the excess.

• Reasonable Care: you need to take all reasonable care to protect yourself and your property, as you would if you were not insured.

• Complaints: your insurance policy will have in it a complaints procedure which tells you what steps can take if you wish to make a complaint.

• Cooling Off Period: your policy contains a "cooling off" period during which you can return the item and get a refund, if you are not satisfied with the service or for being dissatisfied with the cover it provides.

Your policy is governed by the law of England and Wales. Any legal disputes will be dealt with in an English court.

If you would like more information, you should ask our Reservations Staff, particularly if you feel the insurance may not meet your needs.

PLEASE MAKE SURE YOU READ YOUR POLICY CAREFULLY. Full details of the insurance cover will be sent with your holiday confirmation.

Car Breakdown and Recovery Insurance

A breakdown en route could ruin your holiday plans so we have negotiated a special Scheme with Underwriters at Lloyd's of London. It includes roadside assistance and breakdown cover.

Our Scheme enables you to remain mobile following a breakdown so that you can enjoy your holiday to the full. You may already belong to a Motororing Organisation and will they pay for a week's car hire if you need it? At the nominal cost of £30 for 7 night holidays or £5 for 3/4 night short breaks, we would strongly recommend that you take advantage of this cover. The above premiums include a 5% insurance premium tax. Does not apply to Tenancy and Lodging holidays.

Full details of the insurance cover will be sent to you prior to the start of your holiday.

The Underwriters will reimburse you following a breakdown, accident, fire or theft which leaves your vehicle immobile under either of the following sections:

BENEFIT CLAIM LIMIT

Section 1 Emergency labour charges to repair your vehicle immediately £200

Section 2 Where the vehicle is unusable for more than 24 hours following a breakdown or illness of the sole available driver the following expenses can be claimed.

Recovery to the nearest garage or railway station £100

Car hire (to continue your holiday) £60 per day (maximum £200)

OR Alternative driver/chauffeur (if the sole available driver is ill) £60 per day (maximum £200)

OR Standard class rail/coach fares to reach your holiday destination or to return home £100

Emergency hotel accommodation £55 per person per night

Vehicle recovery costs to home £100

OR Vehicle collection costs after holiday £100

MAXIMUM CLAIM £3,500

MAIN EXCLUSIONS: The cost of parts used in any repair, breakdowns due to lack of petrol, oil or water or frost damage. Use of vehicle for racing or competitive purposes.

ELIGIBLE VEHICLE: Your car must be less than 15 years old, in a roadworthy condition and regularly serviced (by yourself or a garage). Mini buses and vehicles with more than 7 seats cannot be covered by this Scheme.
